CPI MCA Salient features:

Activities and Professional development events @ SCPPGICA:

Workshop on Android Mobile Technology with Hands-on

Mr. Ashish Nair, Software Engineer at Theta Technolabs, delivered a workshop for BCA students of Gujarat University affiliated colleges on Android Technology. More than 60+ students participated in the event held in January at SCPPGICA Lab. The knowledge imparted during the workshop was profoundly beneficial for the participants. The primary purpose of this brain storming exercise was to develop analytical approach and how to integrate all SDLC life cycle in application development on mobile platform using android.

Workshop on Cyber Security and Ethical Hacking with Hands-on

Mr. Falgun Rathod, Managing Director of Cyber Octet Pvt. Ltd., delivered a workshop for MCA students in SPPGICA Lab on various aspects of cyber security and ethical hacking with hands on live examples. He discussed industry scenarios and various case studies about how to secure private and public network. He also gave live demonstration on network packet filtering using Wireshark. The primary purpose was to give technocrats a basic knowledge of hacking and how to secure cyber space and system from attacks.

Internal Project Evaluation of MCA Sem - VI Students by Industry Experts

MCA Sem-VI students of batch 2017-2019 had access to an amazing network of alumni, who evaluated their projects and gave them valuable inputs by sharing their knowledge and expertise. The alumni happened to be from the batches covering the time span of 2008 till 2018.

Student Participation in State Level Event-Tech Kaushalya 2019

Congratulations to the winners of MCA Sem- IV (Lateral) students Joshi Jinal and Narang Chirag who participated in 'TechKaushalya 2019' State Level Event – 'Query Cracker' organized by Department of Computer Science Rollwala Computer Centre on 1st March 2019 and 2nd March 2019. The winners of the event were felicitated with trophies and certificates.

College Days' Celebration

Days' celebrated in college life, are always very exciting segment and special memories for each student. SPPGICA celebrated Traditional Day along with Garba on 15th March 2019 and Group Day with Games on 16th March 2019.

Seminar on Software Testing

The placement team at MCA department organized a full day seminar on “Software Testing” on 1st July 2019 for MCA final year students. The keynote speaker at the seminar was Ms. Richa Mehta – Chief Technical Officer at STAD solutions. The seminar covered the intricacies of software testing viz. introduction, types of testing, manual testing, automation testing, etc. The seminar enlightened students about an alternative and less known career in technical streams. Around 50 students were benefitted by the seminar. All the students were also provided with a certificate of participation at the end of the seminar.

Workshop on IONIC Framework

Mr. Kamyabhusain Vijapura, Software Developer at Webelight Solutions delivered the Hands-on Practical Guidance cum Workshop on Emerging “IONIC Framework” for the current MCA SEM-5 students on 14th Sept 2019. Later, 18th Sept 2019 prominent industry experts who has wide involvement in IONIC and different frameworks assessed MCA SEM-5 software projects and gave them valuable inputs by sharing their insight.

Proud of MCA

- CONGRATULATIONS to the champs of our MCA fourth semester (Lateral) students Jain Tirth and Shah Henil who participated and secured first position in the event D'Coding- A Coding Competition on Python. 'La-Compass-2020'– National Technical Mega Festival on Computer Science and Information Technology was organized by KadiSarva Vishwavidyalaya, Shri Maneklal M. Patel Institute of Science and Research on 15th February 2020.

CONGRATULATIONS to the champs of our MCA fourth semester (Lateral) students GajjarJhanvi, Jain Tirth and Shah Henil who participated and secured first position in the event "Web Development - A Project Development Competition using PHP". In a small team of three coders a web development competition, lets students share their skills and connect with other coders while working together to solve a problem based on the spot real-time development challenge. 'La-Compass-2020'– National Technical Mega Festival on Computer Science and Information Technology was organized by KadiSarva Vishwavidyalaya, Shri Maneklal M. Patel Institute of Science and Research on 29th February 2020.

Webinars & Online Education @ SCPPGICA

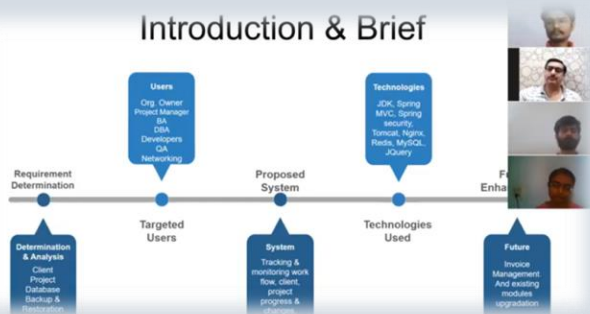

In view of the ongoing situation, make use of the digital course content made available for the benefit of the student / faculty under SWAYAM & ICT Initiatives of MHRD.

FREE access to a lot of online information related to engineering & other courses.

"Exams and grades are temporary, but education is permanent."

Due to the COVID-19 lockdown, MCA Faculty Team goes online for internal project evaluation and feedback of Sem-6 students via Skype, WhatsApp, and Zoom.

"STAY HOME, STAY SAFE.

MOBILE GAME DEVELOPMENT

Online is the new mode of education. Following this philosophy, another webinar was arranged by the MCA department on 6th June 2020 for nurturing the young technical minds. Mr. Brijesh Patel, Senior Technical Trainer of Tops Technologies handled the webinar on "Mobile Game Development". There were more than 150 registrations from various colleges across Gujarat. The students were really excited to learn the basics of game development.

Continuing with the weekly webinar series, the MCA department arranged another webinar on 13th June 2020 for knowledge enhancement of budding tech-preneurs. Mr. Akash Padhiyar, CEO of Akash Technolabs conducted the webinar on “Ionic Framework”. The heightened awareness of quality of these CPI webinars enforced more than 900 participants from around 50 colleges across India to throng the webinar. The participants were super excited to learn the basics of the cross-platform mobile app development framework.

Cultural Festival Celebration @ SCPPGICA

The festival of **Guru Purnima** was celebrated by MCA students on July 16th, 2019. Students expressed their gratitude and regards to faculties by cake cutting. Students stated, " In Sanskrit, 'Gu' signifies Darkness and 'Ru' means one who removes. Thus, Guru is considered as one who sheds the light of knowledge and remove the darkness of ignorance."

Krishna Janmashtami was celebrated on Friday, 23rd August 2019 at Chimanbhai Patel Institute with great devotion. It was followed by Nandotsav and Rasa Lila.

Chimanbhai Patel Institute organized the **Navratri** celebration on 05th Oct 2019. The event was attended by all the enthusiastic students, faculty and staff members in traditional grooming

Food Festival 2020: Chimanbhai Patel Institute organized a food festival 2020 on the campus. Over 10 stalls were set up to showcase their enthusiasm in culinary selling food ranging from regional, fusion and street food like sandwich, Vada-pav, Bhoonglabataka, smoky biscuits etc. The food festival was a unique experience for everyone. The festival was aimed at grooming the leadership and entrepreneur skills of the students.
