SOME THING TO BE PURSUED FOR ACCOMPLISHMENT..... - OUR VISION

In harmony with its broader vision of 'Value Education', CPIBA has been following two ideas: nurture and inspire. CPIBA seeks to nurture a value based work environment by supporting an atmosphere of team work amongst our faculty members, staff and students which can create strength to grow together. We are increasing our capacity, potentials in a considerate manner to have an impact on coming generation with our ambition and to ensure that we constantly improve the quality of our people and our learning

SOME THING TO BE ACCOMPLISHED.....

- OUR MISSION

To provide highly qualitative, ethical, global and practical standards and teaching methods to train future professionals and facilitate meaningful research in the field of Management and Computer Science and facilitate remarkable consulting services to Organizations.
