MCA PROGRAMME

ABOUT US

Shri Chimanbhai Patel Post Graduate Institute of Computer Applications (SCPPGICA) is a place where dreams come true. Shri Chimanbhai Patel Post Graduate Institute of Computer Applications (SCPPGICA) provides students with a world-class education that prepares them for a successful career and a bright future. The MCA program here provides skills, and promotes broad and deep education that will equip students to navigate the world in which they live and become agents of change for the betterment of their own lives and that of society.

- Lush green campus with Wi-Fi connectivity
- Library with a vast collection of books, journals, and e-resources.
- Sports facilities including cricket ground, volleyball, and indoor games.
- Canteen serving healthy and hygienic food.

OUR TEAM @ SCPPGICA

Why MCA From SCPPGICA?

- Experienced faculty members
- Holistic and quality education
- Extensive Library
- Project based learning
- Strong Industry Support
- State of the art infrastructure & computer labs
- Green Campus with Modern Sensibilities
- Centrally and conveniently located campus
- 22 Years of Legacy

CHIMANBHAI PATEL INSTITUTE

Program Highlights
