SHRI CHIMANBHAI PATEL POST GRADUATE INSTITUTE OF COMPUTER APPLICATIONS

Proud alumni share their stories of their journey with SCPPGICA and beyond!

KHUSHI PATEL
Batch: 2020-2022
Shaligram Infotech, Ahmedabad
Dynamics 365 Developer

Looking back at the 2 years that I spent in SCPPGICA, there are so many memories that come as my flashback. Joining Shri Chimanbhai Patel Post Graduate Institute of Computer Applications was the best decision I could have ever made for the Master of Computer Applications course. The faculties are really very kind and approachable when any need arises. They continuously challenged and helped me to develop new abilities, sharpen my skills and broaden my horizons. The infrastructure and top-notch computer laboratory facilities helped me to gain both theoretical and practical knowledge. The 2 years of time spent with this institution was the best time I had in my life and every moment spent in this campus is still precious. I am currently working as Dynamics developer, my dream job. I am forever grateful for CPIMCA to help get me to this point today. Proud to be a part of SCPPGICA.

'Encouraging us to be more independent and the freedom to think and act on our own'.

While undergoing MCA, I cherished the feeling of studying at an institute, which always focused on career enhancements along with overall skill development. I am proud to be a part of CPIMCA. The professors are dedicated experts in their fields and share the wealth of their enormous experience, reality, and wisdom. They are talented, committed and genuinely caring; their talent for sharing their expertise and experience was a treat. I secured 1st rank in semester 1, 2, 3 and 4 with 10, 9.89, 9.55 and 9.63 CPI respectively. Along with studies I also participated in many co-curricular activities that gave me more campus life experience. It turned me into a better professional to survive in today's competitive environment. I gained skills that cannot be taught. Through interactions with classmates, professors as well as other college staff. The carbon needs to be cut, burnt, pressurized, and finally polished to become a diamond. We should have dreams and we should work hard to fulfil those dreams. Wishing SCPPGICA and everyone associated with SCPPGICA a great success.

SUMIT JAMNANI
Batch: 2020-2022
Inferenz Pvt. Ltd., Ahmedabad
BlockchainDeveloper

SUJAL SHAH
Batch: 2020-2022
Mirror Tech Pvt.Ltd., Ahmedabad
React Native Trainee

I'll be always grateful to Shri Chimanbhai Patel Post Graduate Institute of Computer Applications and their chosen subject matter expert faculties who helped me build & shape my career. The thing I admire the most is the support from everyone at every step. I hold a non-technical bachelor's degree & belong to a very different background professionally however with the constant support & mentorship from my faculty members. I secured my campus placement in a Singapore based MNC company. Deciding to enrol in SCPPGICA MCA course has been a life changing decision.

Top 10 Students

Warmest congratulations on your achievement.

DAS MADAN MOHAN
4th Rank in GTU

GTU Topper - Heartfelt Congratulations for securing Rank in GTU in 1st Semester!

It feels proud to share, Das Madan Mohan, our student of MCA Semester-I (2021-23) batch for being the "Gujarat Technological University Topper" in the winter 2021 examination. Many Congratulations! Keep up the spirit as there's a long way to go!

The students of MCA Semester-I (2021-23) have brought laurels to Chimanbhai Patel Institute by achieving remarkable success in GTU results.

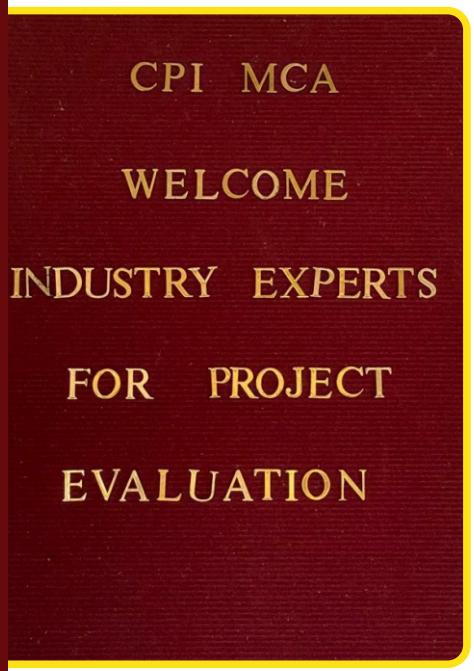
The students of MCA Semester-III (2020-22) have brought laurels to Chimanbhai Patel Institute by achieving remarkable success in GTU results.

Workshop with hands on practical for the topic "Real time implementation of firebase database and Web services using Android"

Shri Chimanbhai Patel Post Graduate Institute of Computer Applications organized two days' workshop with hands on practical for the topic "Real time implementation of firebase database and Web services using Android “on 05-May-2022 and 09-May-2022. Prof. Ashutosh Trivedi with the assistance of Rehan Abbas conducted the workshop.

Students' Project Evaluation by Experts from Industries

The internal project presentation was conducted on 14-May-2022 for MCA Sem-4 students. The institute recognized the contribution of these industry experts in evaluation of student projects and would like to express sincere appreciation for sharing their time and expertise to our students.



Joint AICTE-GTU FDP on Training on Data Science Tools organized by SCPPGICA

Glad to declare the successful completion of an online FDP on "Training on Data Science Tools"- in association with AICTE and GTU from 21-March-2022 to 26-March-2022.

The FDP was well-structured with sessions ranging from Introduction of Data Science to Statistics followed by Data Wrangling and Data Visualization with Python and R with some informative sessions on the New Education Policy - 2020.

Excellent feedback of the participants confirmed the fulfillment of objective of this FDP. The institute thank all the speakers of the FDP.

Dr. Sanjay Kumar Vij, Dr. Nidhi Arora, Dr. Pankajray Patel, Dr. Hardik Soni, Dr. Priyanka Pathak, Dr. Vipul Patel, Dr. Nirav Halvadia, Dr. Jonita Roman, Dr. Kedar Bhatt and Dr. Rutvi Shah.

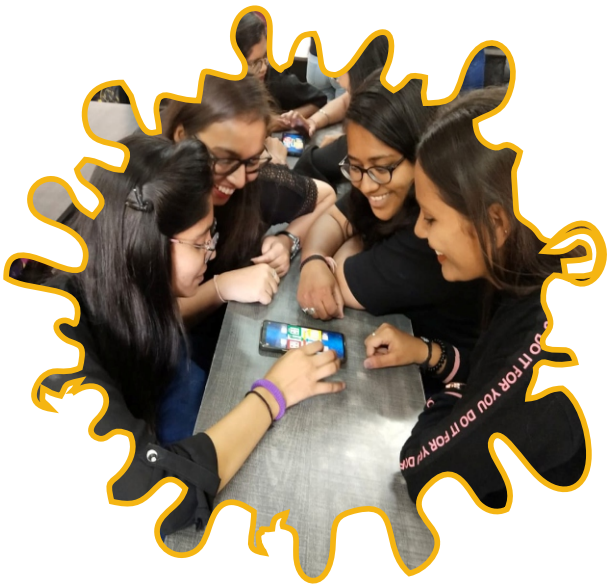
Cultural Fest: Life Outside the Classroom

Days' celebration has always been very exciting segment of college life for all the students. Students of CPI MCA celebrated two days cultural fest.

On 06-March-2022 group day with retro theme was celebrated by the students along with several fun-games and activities like talent hunt, chess, ludo, ahmedabad, musical chair, human tic-tac-toe etc.



Traditional Day

On 07-March-2022 students celebrated the Traditional Day at the campus. It was an eventful day. Everyone at the college came dressed in their best ethnic attires. Everyone displayed their various cultures by dressing their best which was a colorful treat to the eyes. Lots of pictures were clicked by everyone to create memories of this beautiful day.

SPARDHA - THE SPORTS MEET: Life Outside the Classroom

Sports and games are an integral part of our life and have become a way of life for a healthy and fit India. A magnificent "SPARDHA - THE SPORTS MEET" was organized at Chimanbhai Patel Institute on 26-March-2022, in which all the students participated with great fervor and manifested their athletic skills with an unimpeachable finesse.

Various events like dodgeball, relay race, sack race, Chess, Ludo, Ahmedabad, Volleyball, Cricket, 3 leg race, 100mt race etc. were organized by Shri Chimanbhai Patel Institute of Management & Research on this day for the inter-class in which students of MBA and MCA participated according to their interests. A prize distribution ceremony was held at the end where the winners were presented with certificate and medal.

Social Media Alumni Connection

SCPPGICA MCA ALUMNI FB GROUP was created to share their stories, thoughts and throwback pictures and be in contact with other super seniors and super youngsters.

Alumni Batch Ambassador Program

Batch Ambassadors would provide a platform for enabling lost friendships, having intellectual discussion, self-organizing trips, raising support, discussing opportunities, learning about latest happenings on campus and alumni activities.

The CPI Batch Ambassador program aims to create batch-wise groups for each batch starting from 2001. Batch Ambassador Responsibilities:

1. The Go-To Person for the batch
2. Adding fellow alumni to the network
3. Plan alumni events/activities
